ABOUT FOUR POINTS TECHNOLOGY

Four Points Technology, LLC is a Service Disabled Veteran Owned Small Business (SDVOSB) dedicated to providing IT Products and Professional Services to the Federal Government. Four Points Technology offers solutions that support a wide variety of business initiatives specifically suited for Government organizations. Working with Four Points Technology not only ensures that our clients can fulfill their technology needs, but as a Small Business and SDVOSB, purchasing goals are easily met, as mandated by the Federal Government.

Four Points Technology's management team has over 100 years of IT experience providing technical and business solutions to the Federal Government. By leveraging our well-established relationships with major vendors, suppliers, and partners, Four Points Technology provides customers with custom solutions to meet their unique needs. Four Points Technology is committed to providing timely delivery and implementation of all solutions with exceptional customer service and support.

SEWP: Solutions for Enterprise-Wide Procurement

SEWP IV is a Government Wide Acquisition Contract (GWAC) that supports Government requirements for high-performance information technology by providing state-of-the-art commercial hardware, software, services and solutions. The SEWP contracts have an outstanding track record for offering a vast selection and wide range of advanced technology to all Federal Agencies and their authorized contractors. Over 1,000,000 contract line items from over 2,400 manufacturers are available through the SEWP contract holders.
